DORSET MIND

Hi Dee,

On behalf of the Committee and members of the Portland Branch, Royal Naval Association, please find enclosed a cheque to the value of £450.

This amount has been raised by the member's generosity at our monthly meeting by buying raffle tickets and making donations over the past twelve months.

We sincerely hope this helps you with your very worthwhile efforts.

We have made the decision to forward the donation now because of the uncertainty of the Coronavirus Epidemic and when life hopefully get back to normal later in the year we would appreciate you coming to our monthly meeting and give a short insight to the members about your charity and we would also like to carry out a photographed presentation to enable us to get it published in the local media.

Alex Oswald, Branch Chairman, will be in touch to confirm when our meetings are likely to resume, hopefully that will not be too far in the future.

I would be very grateful if you could confirm receipt of the donation then I will know that you have received it safely.

In the meantime, stay safe and healthy,

All the very best

Yours aye

Shipmate Pete Shoesmith, (Treasurer, Portland Branch Royal Naval Association)
