

## Falklands Veterans – RNAS Culdrose Squadrons

*I was wondering if you could help me with a problem. I have been asked by the BWO & Senior Rates Mess at HMS Seahawk to check with RNA branches within our area if in their membership of any Falklands Veterans who served on the following squadrons out of RNAS Culdrose.*

*820 HMS Invincible*

*824 RFA's*

*825 Reformed*

*826 Hermes.*

*The station will be holding divisions on 12th May 2022 to include 820 personnel before they deploy in June. I am putting out feelers if any of your members would like to attend to contact.*

*I Will have more detail of the event in the future.*

Warm regards.

1.It seems likely as part of the Falklands 40 that similar requests may come from RNAS Yeovilton, RMB Chivenor, RMB Poole, HMNB Plymouth. I will pass on any information I receive.

Yours aye
