

HOLIDAY QUESTIONNAIRE

Dear Shipmates

We are very proud to have enjoyed a special relationship with the RNA for many years, offering a tailored holiday service for RNA Branches and Members, and at the same time contributing funds to help the RNA's vital work in supporting Members and their families throughout the world.

The UK Holiday Group is one of the largest and most successful privately owned leisure and hospitality businesses in Britain. I started the company in 1983 and it has been my privilege to continue to still be at the helm almost 40 years later. I am very proud to say that the first person I took on is still with the company to this day, and we have over 20 staff members who have been with the company for more than 20 years. Our diligence and financial prudence over all this time, together with the immense loyal following of customers and staff, has protected us from the negative effects of the covid crisis. We have the depth of resources to withstand whatever is thrown at us and you can depend on us to remain on course whatever the weather. And, as long standing members of ABTA, all future bookings and holiday payments are completely safe and secure. We follow the ABTA Code of Conduct which ensures professionalism, integrity and fair play in everything we do.

I would be really grateful if you could spare a few minutes to complete the survey on pages 2 and 3. We are constantly striving to offer RNA Branches and Members holiday offers and opportunities that are relevant and valued, and your support in helping us to achieve this goal would be much appreciated.

I wish you a successful and enjoyable conference, and I wish all RNA Members a fair wind and a following sea.
