Good Evening Shipmates

Please see below for the Semaphore Short. I have warmed the bell and although it is dated Monday, I am sending it out today as there is a top job going with the RNA (Communications Manager) of which applications end on Tuesday so this will give anyone interested a little more time.

Enjoy the rest of the weekend

Best Regards

John

GREETINGS SHIPMATES - Welcome to this week's Semaphore Short and I hope that this finds you well. You will of course notice that you have received this a little early (although still dated for Monday) as there is a job opportunity with the RNA (see below) which has applications end on Tuesday.

As usual, if anyone has anything that they would like to include in future Shorts, email me or the team at comms@royalnavalassoc.com. Whilst all contributions will be considered, please note that this is a short update newsletter and we can't publish everything. Some content may be passed to Andy for inclusion in the next Circular.

FIRESIDE CHATS The chat for this evening is subject to confirmation but is scheduled to be a talk entitled 'Making a submarine Captain' given by Craig Fulton.

Next week's chat (Mon 28th November) will be given by Vice Admiral John McAnally CB LVO and will be a personal recollection of his time onboard HMY Britannia (pictured below).

Fireside chats, unless promulgated otherwise start at 18:30 each Monday. To access the fireside chats, access zoom [here](#)

THE RNA ARE RECRUITING The RNA are recruiting a full time Communications Manager. The post holder will run both internal and external communications and be responsible for digital output. This is a great opportunity for a suitably qualified and experienced person. **NOTE** - closing date for applications is tomorrow, 22 November. Full information can be found [here](#)

ONS VETERANS' SURVEY In the last Short, I drew attention to the Government led veterans' survey. The survey will bolster information gained from last year's census so that targeted and relevant help can be better directed in the future. I make no apology for including the link again this week as it is important that all veterans complete the survey where possible. You can do so [here](#)

INTERESTED IN RUNNING A HISTORIC BOATHOUSE? A great opportunity has come up to manage a piece of maritime history. Portsmouth Naval Base Property Trust are looking for an individual to head up the operations and management of Boathouse 4 in Portsmouth Historic Dockyard. More information and how to apply [here](#)

MOTORHOME AND CARAVAN CLUB SUMMER EVENT The RNA MCC SIG

have arranged a 'Big Meet' next year from Thu 29 Jun to Tue 4 Jul at Blackmore Camping and Caravan Site in the Malverns. For more details and prices, contact Shipmate Ron Shilton [here](#). Email should include your real name, vehicle registration number and your partner's name if bringing one. Note - you don't have to be a member of the MCC to apply.

OFF TO THE TOWER I have just finished a weeks No 9s after being dobbed in to the Joss for the treasonous offence of calling the King HRH instead of HM in the last Short. To those that spotted it, well done.....
