Thank you

Dear Peter,

I write on behalf of Portland Masonic Hall to express our sincere thanks for your generous payment of £300 in respect of your Associate Membership.

Your continued support is very much appreciated and plays an important part in helping us to maintain the Hall for the benefit of all who make use of it.

We are also most grateful for the ongoing relationship we share with the Royal Naval Association and for your continued use of the Portland Masonic Hall. It is always a pleasure to welcome your members, and we value the strong connection between our organisations.

Once again, thank you for your kindness and support.

Yours sincerely,

Terry Green
